

LAUREL POLICE DEPARTMENT YOUTH POLICE ACADEMY

Rules and Regulations - Academy Behavior Policy

It is our intention to provide your child with a safe and secure environment. We will attempt to create a comfortable and fun atmosphere that will have your child looking forward to coming to the Academy each day.

We are here for your child and the other children to have a positive experience. The Academy behavior policy, outlined below, will help children and our staff to understand and enforce the rules fairly. Our program stresses good citizenship with an emphasis on the following:

1. Always tell the truth.
2. Safety is imperative.
3. Cooperation and participation are both required in activities.
4. Respect those around you, both students and staff, be nice to others; no negative comments.
5. Respect for property.
6. Appropriate language and dress at all times; inappropriate language (i.e., degrading, profane, racial slurs, etc.) will not be tolerated.
7. Keep your hands to yourself; hitting, pushing, or shoving will not be tolerated.
8. Do not borrow from others without permission.
9. Be a good sport.

Please be advised, the following behaviors will detract from a positive Academy experience:

- Physical aggression
- Stealing
- Defiance in following instructions, and/or repeated incidents of inappropriate language.

If a student has difficulty with our behavior program, our first response will be to verbally intervene and help the child understand the impact his/her behavior is having on the positive Academy experience. If the behavior continues to be disruptive, his/her parent/guardian will be contacted to pick up their child. The child will then be asked to not return for the remainder of the day. The Director will review the incident and decide if the Cadet will be permitted to attend the remainder of the Academy, depending on the nature of the behavior issue.

Academy staff will record the incident and outline the consequences of the behavior with the student and his/her parent/guardian. Cadets may not leave the Academy without notifying the Academy staff, unless the day's session has ended.

All injuries or illnesses must be reported immediately to the Academy staff.

The drinking of alcohol or the use of drugs or tobacco on and off campus is strictly prohibited. The violation of this rule is just cause for immediate dismissal.

No knives, firearms, or weapons are permitted on the campus. The violation of this rule is just cause for immediate dismissal and initiation of a criminal investigation.
