

Dear Parent or Guardian:

As part of our ongoing efforts to best meet the needs of our youth, we have begun implementing the CATCH My Breath Youth e-cigarette and JUUL prevention program at the Laurel Police Department Youth Academy. Implemented by staff of the Southern New Castle County Communities Coalition, CATCH My breath is a best practices-based program designed to prevent the use of e-cigarettes and JUUL in grades 5-12. For more information on this program, please visit www.catchmybreath.org.

To learn how well this program is working, we will be asking your child to complete a survey that asks about his or her knowledge and perceptions of e-cigarettes. This survey is voluntary, and your child's name **will not** be recorded with his or her answers. We will repeat the survey at the end of the four-lesson curriculum.

Please feel free to contact SN4C staff (information below) if you have any questions or concerns. If you do not want your child to participate in the survey, please complete the slip below and return it to your child's camp instructor.

Sincerely,

Staff of the Southern New Castle County Communities Coalition
Tamson Livanov-Prevention Coordinator (302-476-1622)
Brandy Mace- Prevention Specialist (302-377-4032)
